Not a HD 54A Anti-Incumbent Independent Expenditure

I believe there are several violations of Campaign Finance Law dealing with this lit mailing that was entered in the **2010 HD 54A Reports of Receipts and Expenditures under Schedule B1 Expenditures.**

I believe it can not be an Independent Expenditure because of prior knowledge and direct involvement of Mark Fotsch Campaign Treasurer Don Hewitt was HD 54A Treasure Don Hewitt in the entire process. I believe vendors Capitol Direct and Cimmaron indicate this.

Secondly I believe it could not be an Expenditure or Independent Expenditure by HD 54A Republicans because of the disclaimer: **Prepared and Paid by Local Republicans in Roseville in HD 54A.**

We are according to the Campaign Finance Board, HD 54A Republican Constitution, 2008 Sample Ballot, vendors Capitol Direct & Cimmaron, **HD 54A Internet News Letters**

But the real nail in the coffin so to speak is the Thursday October 28, 2010 e-mail news letter with the big bold head line: **District 54A Republicans** Send Anti-Incumbent Mailing. This says it all.

I believe a legal disclaimer is required by Minnesota Campaign Finance Laws. I believe that because this was not a legal disclaimer it is another violation. I believe that Mike Don and Lisa had no right to use

Mike Boguszewski, Lisa Belak and Don Hewitt could on their own accord have sent this lit piece out. I believe they just needed to set up a register as PAC under local Republicans in HD 54A or what ever they would choose to call themselves and file the legal Campaign Finance form.

If the sent out lit piece by Mike, Lisa and Don had been legitimate it I believe it should have been recorded in the 2010 **HD 54A Receipts and Expenditures under Schedule B3 – IND – Independent Expenditure.** But it was not.

This believe this was an attempt to side step around Campaign Finance Law by using the disclaimer prepared and paid for by local HD 54A Republicans as an Independent Expenditure because of HD 54A Treasurer Don Hewitt having prior knowledge

WE APPRECIATE YOUR BUSINESS - THANK YOU!

John Marty

FOR NEARLY A QUARTER OF A CENTURY, OUR LOCAL POLITICIANS HAVE BEEN SPENDING MONEY THEY DON'T HAVE...

Mindy Greiling
18 years in office
Elected 1992

Minnesota's General Fund in the last biennium (2008-09) was \$33.9 Billion. It has grown, more than tripled from \$10 Billion in 1987 when John Marty took office, and more than doubled from \$14 billion in 1983 when Mindy Greiling took office.

While inflation takes its toll on the numbers, our local politicians have raised state spending by a whopping 3X the inflation rate during their legislative terms.

AND THEY JUST KEEP ASKING FOR MORE. NOW YOU CAN TELL THEM NO!
