**Subdivision 1. Time for Review.** The chief administrative law judge must randomly assign an administrative law judge to review the complaint. Within one business day after the complaint was filed with the office, when practicable, but never longer than three business days, the administrative law judge must make a preliminary determination for its disposition.

**Subd. 2. Recommendation.**

(a) If the administrative law judge determines that the complaint does not set forth a prima facie violation of chapter 211A or 211B, the administrative law judge must dismiss the complaint.

(b) If the administrative law judge determines that the complaint sets forth a prima facie violation of section 211B.06 and was filed within 60 days before the primary or special election or within 90 days before the general election to which the complaint relates, the administrative law judge must conduct an expedited probable cause hearing under section 211B.34.

(c) If the administrative law judge determines that the complaint sets forth a prima facie violation of a provision of chapter 211A or 211B, other than section 211B.06, and that the complaint was filed within 60 days before the primary or special election or within 90 days before the general election to which the complaint relates, the administrative law judge, on request of any party, must conduct an expedited probable cause hearing under section 211B.34.

This section does not prevent a candidate from stating publicly preference for or support of another candidate to be voted for at the same primary or election. Refreshments of food or nonalcoholic beverages having a value up to \$5 consumed on the premises at a private gathering or public meeting are not prohibited under this section.

Calandra Revering for Ramsey County Judge

Yesterday at 7:35 PM

The City of Reconciliation had a wonderful event today giving free gas to our community. Giving back to our community is something I see many people doing today, especially in such a heavy-hearted time. While we watch the news every day, these events make us feel sad, depressed, and even angry. We must pray for those families who have lost loved ones, and we must continue to strive for peace in our own homes and communities, especially in the midst of evil.

Complaints must be in writing, signed by the person making the complaint and should include copies of any documents which would explain or substantiate your complaint.

Effective July 1, 2010, complaints may be filed online at <http://lprb.mncourts.gov>. Please note, however, that if supporting documents are to be submitted with the complaint, the documents must be mailed to the above address. Supporting documents cannot be submitted electronically.

When we receive your complaint, you will receive a letter from us in approximately two weeks informing you how your complaint will be handled. Either our Office or a District Ethics Committee (DEC) handles those matters which are investigated. Most complaints are first referred to the DEC. The DEC appoints an investigator. The investigator contacts the attorney and the complainant (if more information is necessary), and makes a recommendation to the Director.

In all cases, we are required to send a copy of the complaint to the complained against lawyer even if we decide not to investigate the complaint. The investigation usually takes at least three months or longer. You will be notified of the final disposition in writing.
