#### **CHAIR'S REPORT**

#### 2022 meeting schedule

Going forward, the Board's regular meeting time will change to 9:30 a.m. The next Board meeting is scheduled for 9:30 a.m. on Wednesday, September 7, 2022.

# REQUESTS TO ACCEPT LATE AFFIDAVIT OF CONTRIBUTIONS OR PUBLIC SUBSIDY AGREEMENT

Mr. Sigurdson presented members with a memorandum that is attached to and made a part of these minutes. Mr. Sigurdson explained that in order for candidates to receive a public subsidy payment, they must sign a public subsidy agreement and file an affidavit of contributions by the statutory deadline, as well as win any primary election. Mr. Sigurdson stated that the deadline to file a public subsidy agreement was July 19, 2022, and the deadline to file an affidavit of contributions was July 25, 2022. Mr. Sigurdson reviewed the efforts taken by Board staff to advise candidate committees of those deadlines. Mr. Sigurdson explained that in 2018 and 2020 the Board accepted affidavits of contributions that were filed after the statutory deadline due to an incorrect cross-reference within the statute that establishes the deadline for filing an affidavit of contributions. Mr. Sigurdson stated that the incorrect cross-reference was corrected in 2021.

Page 2 Minutes August 15, 2022

Mr. Sigurdson explained that two candidates who filed an affidavit of contributions after the statutory deadline, Huldah Hiltsley and Shaun Laden, lost their primary election, so their requests are somewhat moot. Mr. Sigurdson stated that Brendan Van Alstyne is asking the Board to accept a late-filed public subsidy agreement and that Bradley Brown is asking the Board to accept a late-filed affidavit of contributions.

Mr. Hartshorn stated that he views the deadlines as mandatory and does not feel that it is within the Board's discretion to waive the deadlines. Chair Rashid stated that he agrees with that analysis.

Member Flynn asked whether Mr. Van Alstyne's email sent to an incorrect email address on June 24, 2022, resulted in a bounceback email informing him that his email was not successfully delivered. Mr. Sigurdson explained that such emails typically result in a bounceback email, but bounceback emails are often delivered to a user's spam folder, so the user may never realize that the original email was not delivered.

Mr. Soule stated that he believes that the Board has no discretion regarding the deadline for filing a public subsidy agreement.

No motion was made to grant any of the requests before the Board.

#### **EXECUTIVE DIRECTOR'S REPORT**

Mr. Sigurdson presented members with a memorandum that is attached to and made a part of these minutes.

#### Ratification of Budget for Fiscal Year 2023

Mr. Sigurdson stated that the Board is required to approve a budget for each fiscal year. Mr. Sigurdson noted that 88% of the budget goes to fixed costs involving staff and rent. Mr. Sigurdson stated that the FY2023 budget represents a 2% increase over the FY2022 budget and includes approximately \$47,000 in funds carried over from FY2022 as a result of cost savings while a staff position temporarily remained vacant.

The following motion was made:

Member Soule's motion: To ratify the proposed budget for fiscal year 2023.

Vote on motion: Unanimously passed.

#### **Political Contribution Refunds in 2021**

Mr. Sigurdson stated that in August of every year the Department of Revenue (DOR) provides a list of the political contribution refunds that have been issued for contributions made to political party units and to the principal campaign committees of candidates who have signed a public subsidy agreement. Mr. Sigurdson said that for the 2021 calendar year, DOR issued 31,666 refunds with a total value of approximately \$2.2 million. Mr. Sigurdson explained that approximately \$619,000 of the amount refunded was for contributions to candidates and approximately \$1,578,000 of the amount refunded was for contributions to party units. Mr. Sigurdson said that party units typically issue more political contribution refund receipts than candidates during non-election years. Mr. Sigurdson explained that 9% of contributions to RPM candidates resulted in a refund while 4% of contributions to DFL candidates resulted in a refund. Mr. Sigurdson noted that over the past two years, contributions to DFL party units have resulted in more refunds than contributions to RPM party units, whereas historically contributors to RPM party units have received more refunds than contributors to DFL party units.

Member Soule asked what drives the total amount of refunds issued. Mr. Sigurdson said that aside from the number of candidates who sign a public subsidy agreement, which is necessary in order for candidate committees to issue political contribution refund receipts, the level of refunds issued is dependent upon the number of individuals who make contributions. Mr. Sigurdson said that the proportion of contributions received by party units from individuals, as opposed to contributions from political committees or funds, has decreased. Mr. Sigurdson also stated that the proportion of contributions from individuals that consist of very large contributions has increased, which reduces the total amount of refunds issued because an individual is only eligible to receive a refund of up to \$50 per calendar year.

#### **ENFORCEMENT REPORT**

#### A. Consent Items

#### 1. Administrative termination of lobbyists Kelby Grovender (4183) and Warren Duncan (2428)

Mr. Olson stated that Marcus Schmit, executive director of Hearth Connection, has requested the administrative termination of Kelby Grovender and Warren Duncan as lobbyists for that principal. Mr. Olson said that Mr. Grovender ceased being employed by the principal on December 1, 2021, and Mr. Duncan ceased being employed by the principal on October 20, 2021. Mr. Olson explained that the principal attempted to contact Mr. Grovender, who reported Mr. Duncan's disbursements, but did not receive any response. Mr. Olson said that Board staff terminated Mr. Grovender's lobbyist registration as of December 1, 2021, and terminated Mr. Duncan's lobbyist registration as of October 20, 2021. Mr. Olson explained that if the request to make the terminations retroactive is approved, there will be no outstanding disbursement reports. Mr. Olson also said that the written request from the principal states that Mr. Grovender separated from employment in 2020 rather than 2021, but Board staff has confirmed that that is a typographical error.

# 2. Administrative termination of lobbyists Mysti Babineau (4410), Kate Jacobson (4678), and Victoria Yarwood (5133)

Mr. Olson stated that Tee McClenty, executive director of MN350 Action, has requested the administrative termination of Mysti Babineau, Kate Jacobson, and Victoria Yarwood as lobbyists for that principal. Mr. Olson said that Ms. Babineau ceased representing the principal after July 9, 2021, Ms. Jacobson ceased representing the principal after August 13, 2021, and Ms. Yarwood ceased representing the principal on April 30, 2022. Mr. Olson explained that Board staff terminated Ms. Babineau's and Ms. Jacobson's lobbyist registration as of the dates listed above. Mr. Olson noted that the written request states that Ms. Yarwood was not a lobbyist; however, Ms. Yarwood registered as a lobbyist and filed a lobbyist disbursement report covering the reporting period that ended on December 31, 2021, disclosing over \$1,300 in disbursements. Mr. Olson stated that Ms. Yarwood registered as the principal's designated lobbyist so she was responsible for reporting the principal's direct lobbying disbursements in addition to her own disbursements. Mr. Olson explained that because Ms. Yarwood did not file a report covering the subsequent reporting period and the principal has stated that she was not acting as a lobbyist, Board staff terminated Ms. Yardoowd's lobbyist registration as of December 31, 2021. Mr. Olson said that if the request to make each termination retroactive is approved, there will be no outstanding disbursement reports.

The following motion was made:

Member Swanson's motion: To approve consent items 1 and 2.

Vote on motion: Unanimously passed.

RE: Requests to accept public subsidy agreement and affidavits of contributions after the

filing deadline

Among the requirements that must be met in order for a candidate to qualify for a public subsidy payment is to submit the public subsidy agreement required in Minnesota Statutes section 10A.322, and the affidavit of contributions required in Minnesota Statutes section 10A.323 by deadlines set in statute. The public subsidy agreement limits the campaign spending of a candidate in exchange for the ability to issue political contribution refunds and potentially receive a public subsidy agreement if other qualifying conditions are met. The agreement may be signed as soon as January 1<sup>st</sup> of an election cycle for the office sought, but no later than "...at least three weeks before the candidate's state primary. An agreement may not be filed after that date." For the 2022 election the deadline to sign and file the agreement was July 19, 2022.

The affidavit of contributions certifies that the principal campaign committee collected at least the qualifying amount of cash contributions from individuals eligible to vote in Minnesota counting no more than the first \$50 of the contribution. For the office of state representative, the qualifying amount is \$1,500. For the office of state senator, the qualifying amount is \$3,000. As provided in Minnesota Statutes section 10A.323, the affidavit must be submitted to the Board no later than the pre-primary report due date; for the 2021-2022 election cycle segment the deadline was July 25, 2022.

Staff provides information about the public subsidy agreement and affidavit of contributions in several ways. The public subsidy agreement, information on the public subsidy program, and a calendar of important dates are in the filing packet candidates receive when they file for office. A letter was sent to all candidates in June reminding them about the public subsidy program requirements, estimated public subsidy payments for the candidate's district, and deadlines for filing the public subsidy agreement and the affidavit of contributions. The June letter included personalized information to each candidate that informed them as to whether they had formed a candidate committee, signed the public subsidy agreement, and filed the affidavit of contributions. On July 12, staff sent an email reminder of the affidavit of contributions deadline to all candidates who had signed the public subsidy agreement but not submitted the affidavit of contributions; the email was also sent to the candidate's treasurer. Finally, on July 19 and 20 staff placed a reminder phone call to every committee where the candidate had filed the public subsidy agreement but not filed the affidavit of contributions.

In almost all cases when a candidate does not submit a public subsidy agreement, or an affidavit of contributions is not filed, it is because the committee other does not want to participate in the public subsidy program or the committee did not raise the required amount of contributions. Unfortunately, there are also cases when the candidate or treasure believe that the documents have been filed by the respective deadline, or they did not recognize the deadline in time. This year there is one candidate who believed the public subsidy agreement had been filed for his campaign when it had not been received, and three candidates that did not file the affidavit of contributions by the deadline but who state that the committee did raise enough money to qualify. The candidates are asking the Board to accept a late filing of the public subsidy agreement or affidavit of contributions based on circumstances specific to their situation, which are explained later in the memo.

I am not aware of the Board ever accepting a late public subsidy agreement. In 2018 and 2020, the Board did vote to accept late affidavits of contributions from state representative and state senate candidates. The candidates had various reasons for why the deadline was missed; but generally the Board did not consider those reasons in accepting the late filings. Instead, the Board noted that at the time of the requests Minnesota Statutes section 10A.323, provided that the affidavit of contributions required to qualify for a public subsidy payment must be submitted "by the deadline for reporting of receipts and expenditures before a primary under section 10A.20, subdivision 4." The cross reference to section 10A.20, subdivision 4, was incorrect, as the deadline for submitting the pre-primary report is actually set in section 10A.20, subdivision 2. The Board concluded that the flaw in the statutory cross reference meant that there was not an enforceable deadline for filing the affidavit of contributions, and directed staff to accept the late filings. A statutory change to correct the cross reference was included in the Board's legislative proposals beginning in 2019. The cross reference was finally corrected in 2021, (Chapter 31 – H.F. 1952).

I do not believe that the executive director has the authority to waive a statutory deadline, therefore I have not accepted a public subsidy agreement or affidavit of contributions filed after the deadline. However, a candidate always has the right to appeal my decisions to the Board. I have asked Mr. Hartshorn to consider whether in his view the Board has the authority to waive a statutory deadline, and to provide guidance to the Board on this issue if requested.

The following is a list of candidates who are requesting that the Board accept their committee's late filing of either a public subsidy agreement or an affidavit of contributions.

**Huldah Nyamisa Momanyi Hiltsley, Campaign Fund for Huldah for Senate, Senate District 40** – The candidate contacted staff on July 26, 2022, to explain that the committee focused on putting together the pre-primary report, and found that putting together a report with contributions from 385 individuals caused the committee to run out of time.

Brendan Van Alstyne, Brendan for MN, House District 54B – Mr. Van Alstyne provided a copy of an email he sent submitting the public subsidy agreement on June 24, 2022. The email had a typo in the address and was sent to cgb.reports@state.mn.us, the correct address is cfb.reports@state.mn.us. The mistake was not discovered until after the July 19 filing deadline for the public subsidy agreement when Mr. Van Alstyne submitted an affidavit of contributions on the July 25 deadline and staff notified him that both documents were required to qualify for a public subsidy payment.

**Shaun Laden, Committee to Elect Shaun Laden, Senate District 62** – Emily Scott, the treasurer for the committee, explained that she was focused on filing the pre-primary report, and that the affidavit of contributions was not on her list of things that needed to be done.

**Bradley Brown, Brown (Bradley) for MN House, House District 27B** – Judy Walker, the treasurer for the committee, states that she had computer problems that forced her to file the pre-primary report on paper, and that during the rush to complete the pre-primary report she mistakenly believed that the pre-primary report and affidavit of contributions were the same document.

Hello Melissa and team,

We wanted to reach out and inform you and your team that we are finalizing our Affidavit of Contributions report that was due 7/25/2022. Unfortunately, we were so focused on individual contributions and making sure we were gathering the right information from over 385 individuals. By the time we realized we also needed to gather similar information for our expenditures, we had run out of time especially with the limited bandwidth of the team and a contested primary race.

Ultimately, we are hoping to finalize this report within the day and will send it over.

Thank you for your understanding in this matter.

Joyful regards, Team Huldah for Senate SD 38

Esteemed members of Minnesota's Campaign Finance Board,

I hope that you will reverse the decisions to deny my campaign the public subsidy, as I feel that I have satisfied all of the requirements, and it is being withheld due only to the smallest mistake. I submitted the Public Subsidy Agreement on June 24th and the Affidavit of Contributions was submitted on July 23rd. I have attached screenshots of those emails as proof that they met the deadline, and I have attached copies of the Agreement and the Affidavit for you to review if necessary. My campaign managed to raise the required \$1500 from individual \$50 or less donations, a feat I wasn't sure we could pull off and of which my team is quite proud. On July 26th I received an email from Jeff Sigurdson which, to my surprise, said that my campaign did not qualify for the public subsidy. Through our correspondence it was discovered that I had accidentally submitted my Public Subsidy Agreement to cgb.reports@state.mn.us instead of cfb.reports@state.mn.us (as can be seen in picture showing the submission of the Public Subsidy Agreement). It's funny how a one-letter typo can be so costly. This typo prevented my Public Subsidy Agreement from getting through to the board, which has caused my campaign to fail to qualify for the subsidy when we would have otherwise received it. I am embarrassed by this blunder, but I hope that such a mistake is understandable and even forgivable. I humbly ask the Board to overlook this error and, if all else is in order, to grant my campaign access to the public subsidy.

Thank you for your consideration, Brendan Van Alstyne

#### **Terms of Agreement:**

As a candidate for the house of representatives, I wish to participate in Minnesota's public subsidy system, which consists of a political contribution refund program and a program of direct payments to candidates. I understand that signing this agreement does not guarantee that I will receive direct payments under that portion of the public subsidy system. As a condition of participating in the public subsidy programs, I hereby agree to the following:

- 1. I and my principal campaign committee will abide by the statutory campaign expenditure limit for a house of representatives candidate through December 31, 2022. I understand that campaign expenditures include the total of my committee's monetary campaign expenditures, in-kind campaign expenditures, and unpaid campaign expenditures during the two-year election cycle and that the base expenditure limit for my committee during the 2021 2022 election cycle is currently set at \$68,500; however, that amount may be adjusted in 2022.
- 2. I will not contribute to my principal campaign committee more than \$5,000 in total during the two-year period from January 1, 2021, through December 31, 2022. I understand that my contribution total includes my cash and in-kind contributions and the outstanding balance of any loans I make to my principal campaign committee.
- 3. My principal campaign committee will return with its 2022 year-end report of receipts and expenditures the amount of public subsidy received (if any) that exceeds my actual campaign expenditures.
- 4. I and my principal campaign committee will make no independent expenditures.
- 5. I and my principal campaign committee will comply with Minnesota Statutes section 10A.38, which relates to closed captioning for deaf and hard-of-hearing persons.

I have read and understand this agreement and I understand that it is a binding legal contract. I know that once I sign and file it, I may not cancel or rescind it even if I do not meet the other requirements to receive direct payments of public subsidy.

#### Greetings Jeff,

I am the Treasurer for Shaun Laden, campaign committee 18923, and am writing to see if there is any way I can repair the fact that I did not file the Affidavit of Contributions yesterday. I did sent it to the board today, and printed a copy attached here. As a volunteer, I believe I have probably overextended myself, and this just slipped my radar when I filed Shaun's campaign finance report this weekend. I feel truly terrible and hope there is something I can do to fix this situation.

Please let me know if you have any advice here.

Many thanks, hoping to connect soon,

# Dear Mr. Sigurdson,

I am the treasurer for Bradley Brown for Mn House. My computer hard drive died last week and I submitted the report to the board on Monday of our Contributions and Receipts that was due for the period ending 7-18-22. I had to do it manually as I was unable to access the CFB software. Melissa confirmed she received it.

In the hubbub of computer problems I missed the Affidavit in question. What we DID do is send in the Public Subsidy Agreement and Melissa told me we had not needed to do that one and that you needed the Affidavit of Contributions instead. I misunderstood and thought the report I was filing manually WAS the Affidavit in question.

Does that make any bit of sense to you? This is exactly how it happened that we missed our deadline on it. Is there anyway leeway for confusion?

I am sure you have heard it all. I was fully aware of the deadline of my board report that was due 7-25-22. I was trying my hardest to follow the rules.

Sincerely, Judy Walker

#### Ratification of Budget for Fiscal Year 2023

At the start of each state fiscal year the Board ratifies the budget developed by staff using salary projections and other estimated costs provided by the Small Agency Resource Team (SmART). Attached is the proposed budget for fiscal year 2023. The state fiscal year runs from July 1 to June 30 of the following year.

The base budget for fiscal year 2023 is \$1,167,000 which reflects a \$22,000 increase (2%) from the base in fiscal year 2022. In addition, state agencies may carry forward unexpended funds from the first year of the biennium. The approximate carryforward from fiscal year 2022 is \$47,000; the majority of that amount represents salary savings that accrued between when Jodi Pope retired and when William Hager was hired to fill the position.

The fixed costs of staff compensation and office rent account for \$1,063,000, or 88% of the total budget. The attached budget breaks down the anticipated expenditures for fiscal year 2023 by general category, all estimated costs are rounded up. The budget is a working document, and some changes to the allocation of funds almost certainly will occur during the course of the year. I will report any major changes or shortfalls to the Board. Any funds left over at the end of fiscal year 2023 are returned to the state general fund.

A motion and vote to ratify the budget is required.

<u>Political Contribution Refunds in 2021</u>: The political contribution refund (PCR) program is administered by the Department of Revenue (DOR) as provided in Minnesota Statutes section 290.06. The program provides that an eligible Minnesota voter who makes a cash contribution to a candidate who has signed the public subsidy agreement, or to a major or minor political party unit, may apply for a refund from the DOR. The maximum amount that may be refunded in a calendar year is \$50 per person, or \$100 per married couple. The DOR tracks refunds so that no individual receives more than a \$50 refund in a calendar year.

The Campaign Finance Board provides a computer file to the DOR that lists all candidate committees that have a current public subsidy agreement on file and all political party units

registered with the Board. The DOR uses that information to verify that the donor gave to a candidate or party unit eligible to issue a PCR receipt. The Board also provides paper PCR receipt forms to eligible candidates and party units and has developed the Campaign Finance Reporter software so that the software can be used to generate a PCR receipt.

In August of each year the DOR reports to the Board the number of PCR refunds, and the total value of the refunds, issued to donors in the prior calendar year. The report provides the refund totals for individual candidate committees and political party units. The report is posted on the Board's website at <a href="https://cfb.mn.gov/citizen-resources/board-programs/public-subsidy-of-campaigns/historical-use-of-public-subsidy-program/">https://cfb.mn.gov/citizen-resources/board-programs/public-subsidy-of-campaigns/historical-use-of-public-subsidy-program/</a>. On the website there are separate reports for candidates and party units for the years 2013 through 2021.

The Board compares the PCR refunds issued for contributions to candidates and political party units to the contributions disclosed on the reports of receipts and expenditures filed with the Board. The comparison is used to verify that the value of the refunds issued to contributors to a candidate or party unit do not exceed the contributions reported as received by that same candidate or party unit.

In 2021 the DOR issued 31,666 refunds with a total value of \$2,196,863. Of that amount \$618,688 was issued for contributions made to candidates, and \$1,578,174 was issued for contributions to political parties.

In 2021, individuals contributed about \$2,000,000 more in total contributions to DFL candidates than RPM candidates. Nonetheless, in total, individuals who contributed to RPM candidates were refunded about \$1,000,000 more by the DOR than contributors to DFL candidates. The DOR refunded about 9% of all funds contributed to RPM candidates by individuals, compared to about 4% for individuals who contributed to DFL candidates, as seen in Figure 1.

Figure 1 2021 Candidate Contributions Refunded Compared to Total Contributions Received from Individuals

Historically, RPM party units have issued more PCR receipts than DFL party units, but for the second year in a row individuals who contributed to DFL party units received more in total refunds, \$890,347, than contributors to RPM party units, \$684,997. Total refunds generated by contributions to political party units have increased over the last two years, but remain at a much lower level than occurred from 2002 to 2009, see Figure 2.

Figure 2

In 2021 contributors to minor political parties received the following total refunds: the Independence Alliance Party, \$750, the Legal Marijuana Now Party, \$150, the Libertarian Party of Minnesota, \$600, and the Grassroots Legalize Cannabis Party, \$1,240.

The 2021 reports for PCR refunds issued by specific candidate committees and political party units are attached to this report.
